We do not have responsibility with copyright of this book.

A delightfully romantic, heartwarming read for everyone whoâ€™s ever looked for The One and found someone better.

You: kind, piano-playing sex god

Me: hopelessly romantic charity shop manager

Honeysuckle Jones has a problem, and her best friends Nell and Tash are on a mission to help her solve it. She needs a man â€” a caring, intelligent, funny man. But most importantly, a man whoâ€™s good with his handsâ€¦

Luckily Honeyâ€™s new neighbour â€” moody, antisocial ex-chef Hal â€” fails on almost every count. Even though the chemistry between them is electric, heâ€™s obviously wrong for her in every way.

But when Honey discovers the devastating reason for his moods she decides to give him another chance. And discovers that the best songs arenâ€™t always in tuneâ€¦

A hilarious, feel-good, sexy romantic comedy for fans of Lucy Diamond, Paige Toon and Giovanna Fletcher.
